WE ARE PLEASED TO WELCOME YOU to the virtual NGS 2021 Family History Conference. We hope the conference events will help push your genealogical knowledge to the next level.

This is our forty-third annual conference, and the second year we have offered our entire program virtually. The NGS conference committee has created a powerful program of virtual events for individual family historians, societies, and organizations that stretch over five days, 17-21 May 2021.

On behalf of NGS, I want to thank the Virginia Genealogical Society (VGS), the 2021 Supporting Host Society. Mary O’Brien Vidlak, CG, president of VGS, and Teresa Kelley, local Conference Chair, led the committee that tirelessly helped shape and plan the 2021 conference originally scheduled to take place in Richmond, Virginia. The VGS team was instrumental in helping transition the conference to an all-virtual program. I also want to thank the many members of the national NGS team, including members of our board, staff, speakers, conference committee, and volunteers who made this excellent program possible.

The NGS Family History Conference is created for family history researchers at all levels—beginner, intermediate, and advanced. The breadth of session topics presented as part of NGS Live! and the eighty-five on-demand sessions starting 15 June are designed for attendees to personalize their learning experience and build their skills in diverse areas including BCG Skillbuilding, DNA, African American and Heritage Resources, Immigration, Land and Military Records, Migration, Methodology, Religion, Writing and Documentation, and much more. Register for NGS On-Demand! packages at conference.genealogy.org.

Organizational mentoring and assistance are now an important part of our annual event. During the conference, we will collaborate with society leaders, librarians, and archivists to share ideas and strengthen our genealogical community. For those who help manage organizations that offer genealogical support, we have a full day, Focus on Societies, devoted to lectures such as Communicating to Members, Managing Events, and Going Virtual. The SLAM! Idea Showcase event will allow attendees to benefit from presentations by information specialists who serve genealogists and to learn more about successful endeavors that we can adapt for our own organizations.

An important part of our success and ability to bring you a quality conference is the generous support of our sponsors. Our Platinum sponsors are Ancestry, FamilySearch, and FamilyTreeDNA; Diamond sponsors are the Family History Guide Association and MyHeritage; and Silver sponsors are American Ancestors by New England Historic Genealogical Society, Collectionaire, Genealogical.com, ProQuest, and Vivid-Pix. We hope you will visit the sponsors and exhibitors in the Exhibit Hall. We also want to extend our thanks to the genealogical societies and organizations that sponsor lectures.

Thank you for supporting the National Genealogical Society and our conferences. We wish you an enjoyable virtual genealogical journey with us during the week of 17–21 May.

Kathryn M. Doyle, President

SOCIAL MEDIA POLICY—#NGS2021GEN

SESSIONS

NGS does not permit screen shots, photography, audio, or video recordings of any presentations, including slides and handouts at NGS 2021 Live! or when viewing On-Demand sessions. All virtual programs presented by NGS and its speakers, 17–21 May 2021, are protected by copyright as well as the conference syllabus.

NGS contracts with an outside company to audio and video record the lectures of speakers who provide their written consent.

NGS encourages participants to use the “chat” during NGS 2021 Live! and other NGS virtual programs during the week.

NGS permits and encourages the use of social media such as Facebook, Twitter, Instagram, and blogging to summarize, highlight, excerpt, review, critique, and promote the presented materials, syllabus materials, or the conference in general, provided that
- copyright law is observed;
- verbatim information is limited to a few quotes; and
- the author or speaker is referenced and cited appropriately.

NGS 2021 VIRTUAL FAMILY HISTORY CONFERENCE, 17–21 MAY 2021

NGS permits and encourages the use of social media during its NGS 2021 Virtual Family History Conference including Facebook, Twitter, Instagram, and blogging to summarize, highlight, and promote speakers, exhibitors, sponsors, and the conference in general.

NGS encourages you to:
- follow us on Twitter and Instagram (@ngsgenealogy)
- like us on Facebook (http://www.facebook.com/ngsgenealogy)
- subscribe to the NGS conference blog at https://conference.ngsgenealogy.org/blog/
- use the appropriate hashtags #NGSDelegateCouncil; #NGSSLAM!; #NGS2021LIVE; #NGSFocusOnSocieties; and #NGSOnDemand on social media posts.
- blog, post, and tweet about what you are hearing and seeing at NGS 2021 Live! and the other virtual programs. Highlight and comment on the program content but do not share any of the materials being presented in detail which is a violation of copyright.
- chat about products and services in the Virtual Exhibit Hall.
- provide feedback to the NGS staff and the Conference Committee by participating in conference surveys.

On behalf of the Virginia Genealogical Society, we welcome you to the Virtual NGS 2021 Family History Conference. We wish we were able to welcome you to our wonderful state in person as we had intended. Unfortunately, COVID-19 disrupted those plans. NGS was compelled to change to this virtual program due to ongoing state mandates in regard to COVID-19 and their concern for the well-being of all. Although we are disappointed to not be able to greet you in Richmond, we know you will enjoy the presentations and activities of the conference.

The two days of NGS 2021 LIVE! offer terrific sessions for all family historians. The program on Wednesday opens with a presentation on tracking migrating Virginians. Throughout the day and on into Thursday, there are multiple presentations to help develop your genealogical skills and enhance your knowledge, including many sessions with a focus on Virginia. Thursday ends with our VGS sponsored event—a visit from the Marquis de Lafayette, the Frenchman whose support led to America’s independence.

The opportunity to learn continues in June with the On-Demand Lecture Series. These lectures cover an array of subjects, including six lectures on African American genealogy, four lectures concentrating on Migration, and nine lectures on Virginia genealogy. Purchase of a package offers an opportunity to view these presentations as often as desired through the end of 2021.

VGS would like to thank NGS for choosing us to host the 2021 conference. We also want to acknowledge the VGS committee members who spent months preparing for the in-person event. We all hope to welcome you soon—in person—to our beloved Virginia.

Regards,

Mary

Mary O'Brien Vidlak, CG
President

The mission of the Virginia Genealogical Society is to promote and foster family history education and research, publish genealogical information, and share accumulated knowledge.
Bringing generations together with stories that inspire.

ACKNOWLEDGMENTS—THANK YOU!

THE VOLUNTEERS
For their countless hours spent in service to NGS and the genealogical community.

THE STAFF OF THE NATIONAL GENEALOGICAL SOCIETY
For their many contributions of time, talent, and collaboration.

THE SPEAKERS
For their commitment to and exemplification of the highest standards of professional research and continuing education.

THE EXHIBITORS
For their continued support of our national conferences and their dedication to providing the best and latest materials, information, and services.

THE SPONSORS
For their invaluable monetary and enthusiastic support of our national conference.

THE ATTENDEES AND THE GENEALOGICAL COMMUNITY
For your interest in family history and your search for the best in knowledge, resources, and techniques that make this conference possible.

THE NGS BOARD OF DIRECTORS
For their dedication and hard work to link the future with the past.
The National Genealogical Society (NGS) is a non-profit membership organization dedicated to genealogical education, exemplary standards of research, and the preservation of genealogical records. By teaching research skills, NGS has helped generations of Americans find their ancestors and family stories to pass on to their descendants. NGS offers guidance for everyone, from the beginner to the most advanced family historian, through its online courses, books, audio and video recordings, webinars, the annual NGS Family History Conference, and acclaimed articles in *NGS Monthly*, *NGS Magazine*, and the *National Genealogical Society Quarterly*.

The NGS website, ngsgenealogy.org, offers many free resources and tools to get everyone started in family history. There are also recommended pathways to learning, from Getting Started to Building Advanced Skills and even becoming a professional genealogist. You will find advice on records, methodology, using DNA, tips and techniques to build your family tree, advice for societies and organizations, and more.

Founded in 1903, the National Genealogical Society was the first national U.S. genealogical organization. Today its members include individuals, family organizations, societies, libraries, archives, and museums. NGS strives to encourage collaboration in the genealogical community and best practices in advocacy, education, preservation, and research to enable people of all cultures to discover the past and create a lasting legacy.

NGS is located in Falls Church, Virginia.

Delegate Council Virtual Kickoff Workshop

Date: Monday, 17 May 2021

Time: 11:00 am–6:00 pm*

Registration Fee: FREE, by invitation only, for the delegate selected by each NGS member organization

The Virtual Kickoff Workshop will be an online event providing attendees the opportunity to learn about the Delegate Council—the new advisory body for genealogical member organizations of NGS. The Delegate Council will provide advice on genealogy and family history issues to the NGS Board of Directors, provide advice to the Board on how NGS can best serve genealogy and family history organizations, and implement programs delegated to the council by the NGS Board.

Workshop Purpose

• To share information about the structure and function of the Delegate Council
• To facilitate understanding of Delegate Council member roles
• To provide opportunities for feedback into Delegate Council operations
• To prepare members for effective collaboration on the Delegate Council

Who should attend?

• Official delegates of NGS member organizations
• If your organization is unsure of its NGS membership status or its assigned delegate please contact membership@ngsgenealogy.org.

About the Kickoff Workshop

The Virtual Kickoff Workshop will be held Monday, 17 May. The workshop will consist of:

• An opening plenary session to provide all attendees an overview of the workshop scope and daily schedule of activities
• Professionally moderated discussions designed to foster collaboration among NGS member organizations, ensuring effective communications throughout NGS, and providing advice and information to the NGS board
• Networking opportunities during program breaks and breakout sessions

Some portions of the workshop will be recorded and posted on the NGS website for member organization access.

Let’s Meet in Sacramento

Our shared history can be reimagined in the colorful design of a beautiful American mosaic created by our diverse ancestors. Each ancestor contributed a precious piece of their life story to create America.

We will celebrate the American mosaic and share how to discover our unique family history in Sacramento, 25-28 May 2022 at the National Genealogical Society Family History Conference.

During four days of lectures, luncheons, and events, attendees will choose from more than 150 lectures by the nation’s premier genealogical speakers. We encourage family researchers at all levels—from beginner to professional—to benefit from this opportunity to build their skills in genealogical research and contribute more of their history to the American mosaic.
